GETTING STARTED
WITH YOUR SUPERPRINT 4425™

HOW TO SET UP THE SUPERPRINT 4425

Step 1
Plug the AC adapter into an electrical outlet.

Step 2
Plug the adapter cord into the jack on the back of the Superprint 4425.

Step 4
Plug the other end of the telephone line into a telephone wall outlet.

Step 3
Plug the telephone line into either telephone jack on the Superprint 4425.
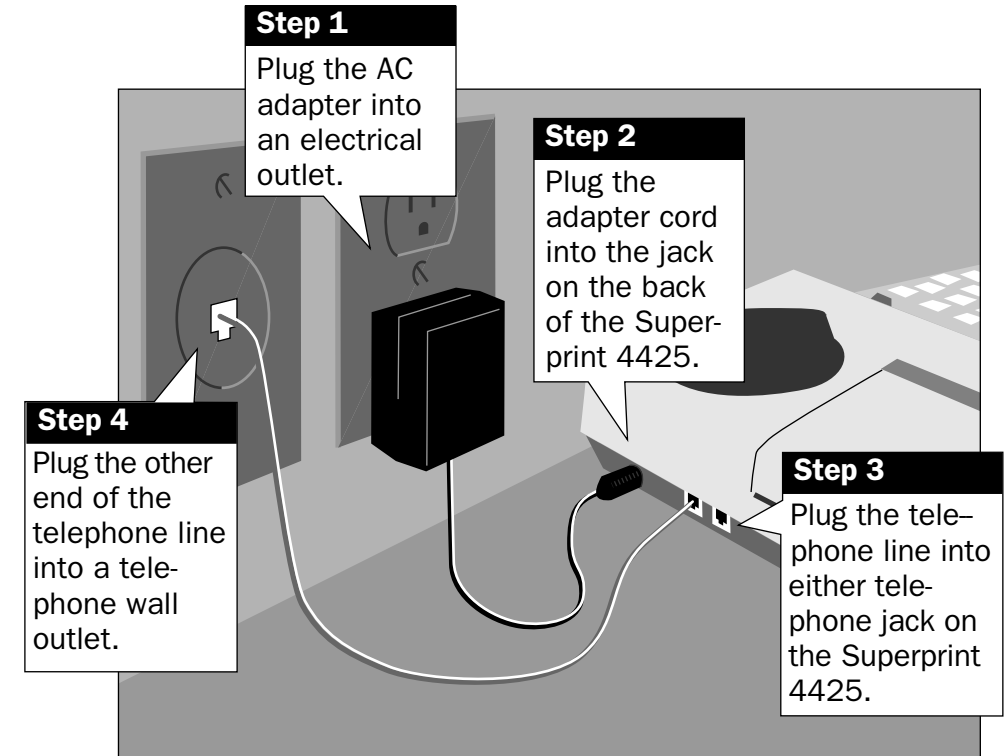

CAUTION: Plug the Superprint 4425 into a standard household telephone line. Any other line may damage your telephone or Superprint 4425 and void your warranty. For more information, see the user guide, *Using your Superprint 4425*.

This guide contains basic instructions. For complete information, see the user guide.
